Win more projects with

**PROAPPROVE**

Your home improvement financing solution

### **Why use ProApprove versus other financing companies out there?**

ProApprove says yes while our competitors say no! We approve certain financings that most providers disqualify based on credit scores, bankruptcies, and other factors.

### **Why should you offer financing?**

Offering a financing option gives you the opportunity to drive your sales to the next level by winning more projects, while providing your customer more flexible payment options.

### **What are our interest rates?**

Our interest rates vary by state and by risk, but typically range from 11.99% to 19.99%.

### **What are our finance fees or discount rates?**

ProApprove charges a finance fee in the form of a discount to the financing amount. Finance fees vary based on a variety of factors, including the credit risk of the applicant.

### **How long until you get paid?**

You will get paid the same day the job is completed after ProApprove conducts a final verification with your customer. Your payment will be submitted via ACH.

### **How do I offer ProApprove financing to my customers?**

To start offering our financing products, simply fill out our online form and we will send you an onboarding package and verify your business licensing and insurance.

### **How do I start using ProApprove with my customers?**

Once approved, sign into our online portal and begin submitting all of your customer's applications today!

### **Where can I learn more about ProApprove?**

You can learn more about ProApprove and how it can expand your business by visiting our website at [www.ProApprove.com](http://www.ProApprove.com) or by giving us a call at (855) 277-6277 ext. 102
